### CEO Speak: Thoughts from our CEO, Tom Hogue

### Why Squirrel, Why?

So I was driving down the road the other day when a squirrel ran out into the road. He was about 1/2 mile ahead with plenty of time to get to safety. So what does he do? He stops about a foot from the right side and turns around. He runs about 8 feet to the left, back across the double yellow line. And stops again.

### Employee of the month:

#### Jeff Barker

We would like to congratulate [Jeff Barker](#) on receiving employee of the month for July! Jeff is an all-star on the Gibraltar team. He travels to clients performing best practices visits.

His continually upbeat personality and friendly demeanor make him a favorite among our clients. Jeff's enthusiasm for helping our clients, commitment to excellence, technical knowledge, and passion make him a vital part of the Gibraltar family. He truly personifies the unmatched client support Gibraltar prides itself upon.

Thank you Jeff for all of your hard work and dedication!

### Biometrics

Are you experiencing password pain?

Frustrated by having to constantly change your password? Fed up with having to keep track of multiple passwords to log in to different applications? Losing money and productivity entering multiple passwords?

Don't worry, Gibraltar can help! We offer a fingerprint reader solution with Single Sign-on for your network and applications. Just walk up to your computer, swipe your fingerprint, and enjoy being logged in to Windows and all of your applications. Save time and frustration while increasing security.
